

Dear Parents/Carers,

Welcome back to our new school year! I hope you all managed to have an enjoyable and restful summer holiday - especially after such a long period of home-learning!

The following details are important for you and your child to familiarise yourselves with as this can be a big step from KS1. Those children that are in Y4, some expectations/systems have changed slightly so please read the details again.

Reading

The children should all have their new reading records, which they will need to bring into school on a daily basis. This is very important as Miss Keith (Kingfisher class TA) and I will be looking at these throughout the week and listening to readers. On every page there is a 'remarks' section. If there is anything you would like to inform me about your child's reading, e.g. finding the book too easy or hard please write it here and we will respond at some point during the week. Please make sure that any reading you do at home is recorded in the diary so we can celebrate any extra effort your child is putting in with their learning. We ask that their reading log is signed at least once a week and **also when a book needs changing**. As you can see, every minute counts!

PE kit

PE lessons are on a Tuesday and Friday so please ensure school PE kit is appropriate to the ever-changing British weather. Our PE lessons this term will focus on fitness where we are able to socially distance comfortably. Unfortunately, we have no dates planned for a return to the leisure centre or Freshwater (swimming) as of yet but will, of course, let you know if anything changes.

Staff

I will be in the class Monday-Friday, alongside the support of Miss Keith. My planning time is on a Thursday afternoon, which Miss Keith will cover and release children at the end of the school day.

Home-learning

Home-learning details will follow shortly. For the time being, please read regularly with your child and practise words from the National Curriculum spelling list (attached).

I do hope that this letter has answered any questions you may have had. If there are any other queries or questions, please email the office at office@burtonbradstock.dorset.sch.uk.

Best Wishes,

Mrs B Steward
